

## APPROVED

**By decision of the Board of JSC "Daugavpils Locomotive Repair Plant" from July 5, 2022**

### **Rules of rate application and fee collection for storage in the territory of Joint-stock Company "Daugavpils Locomotive Repair Plant" (hereinafter - DLRR).**

DLRR preserves a right to apply payment for storage of rolling stock (hereinafter referred to as the RS) on the tracks owned by the company, for indoor and outdoor storage of values consisting of goods and materials (hereinafter VGM).

Storage on the tracks means time of RS staying in the territory of DLRR beyond contractual liabilities. Storage of RS on the plant's tracks is implemented according to the tariffs approved by the Board of DLRR from July 5, 2022, and is applied starting with the first 24 hours of staying in the territory of DLRR. Dates of RS staying in the territory are registered using railway bills of lading, dates of repair arrangement (according to the Contract or additional agreement to the Contract) and release from repair (according to the Acceptance Act after repair), as well as according to an individual written agreement or acceptance act.

Outdoor storage means temporary storage of VGM not owned by DLRR on the open sites, which is implemented according to tariffs approved by the Board of DLRR from July 5, 2022, and is applied towards fee collection from the 15<sup>th</sup> (fifteen) calendar day after warning of the Customer per e-mail, if the Contract provides no other provisions.

Indoor storage means temporary storage of VGM not owned by DLRR in warehouses and workshops, which is implemented according to tariffs approved by the Board of DLRR from July 5, 2022, and is applied towards fee collection from the 15<sup>th</sup> (fifteen) calendar day after warning of the Customer per e-mail, if the Contract provides no other provisions.

Regarding each case, a notification letter is composed for the Customer (a warning per e-mail is enough), stating the object of storage, types of storage and an offer to take the object from the territory of DLRR before specific date. The letter must contain information on tariffs and terms when their application starts.

Service tariffs from July 5, 2022 for storage JSC "Daugavpils Locomotive Repair Plant".

Name of service	Measurement unit	Value, EUR *
Storage on the tracks	RS unit / 24 hours	15.00
