

## APPROVED

**By decision of the Board of JSC “Daugavpils Locomotive Repair Plant” from July 5, 2022**

**Rules of applying penalty provisions for production downtime, stoppage of repair, lack of coordination of additional works or other issues causing direct or indirect damage to the Joint-stock Company “Daugavpils Locomotive Repair Plant” (hereinafter – DLRR).**

DLRR preserves a right to apply penalty provisions for production downtime, repair stoppage, lack of coordination of additional works or other issues causing direct or indirect damage to the enterprise.

The scope of applicable sanctions is applied according to tariffs approved by the Board of DLRR from July 5, 2022, if the Contract provides no other provisions.

Regarding each case causing damage to DLRR, an official notification letter is composed for the Customer, stating causes and an offer to settle the issues within specific terms. The letter must contain information on the scopes and terms of penalty provision application.

Service tariffs from July 5, 2022 - size of penalty provisions JSC “Daugavpils Locomotive Repair Plant”.
